“ *There was an error in the obituary. It was said that Jack had 2 granddaughters. He actually had 10 grandchildren. 8 granddaughters and 2 grandsons.*

“ *Dear John,
You always had a huge smile on your face when I saw you.
You are greatly missed.
It is very surreal.
Your family is at your beautiful home that you were so proud of. And
Dez is taken care of (I am sure she is going crazy without you)
Thank you for the CD*

“ *I'm saddened that we have lost another loved one...
Jack always had a huge smile for me.
Or anyone for that matter...
You will be missed.*

“ One specific time, when my dad moved us (mom, Jack & I, to Sturgeon Bay, WI., Jack, (name we called my brother), got a hole in one when he was 13 on hole 13 at Pepperdine Country Club in Sturgeon Bay, WI.

Fun times we both had, especially driving the  golf carts down the steep hill the course had, peeling out as we got down at the bottom of the hill and recalling how much trouble we got in messing up the fairways. Needless to say, we both couldn't drive the carts anymore. But, Oh So Much! Very much worth it! 😊😄❤️❤️❤️
