“ *So sorry and shocked to hear that John has passed. John and I worked together 30 some years ago and have stayed in contact ever since talking once or twice a week sharing stories of work or personal life, two days before his passing we talked 3 times that same day. I would often tell him that we were as bad as a bunch of old women when we got on the phone, he would always get a kick out of that. Those phone conversations will be missed. To Kelly and all the family you have my heart felt sympathy at this time of loss.*

“ I am so sorry to hear this news. I saw John just a few days ago before he passed. I am forever grateful for his love and care for Austin. I met John and Kelly in the hospital when my daughter, Liz, gave birth to Austin. Definitely a hard worker with a strong work ethic. Always pleasant to be around. May he rest in peace and his memory be a blessing.
