“ *I will miss you very much, Uncle John. After "Mom" passed, you were our go to uncle. You kept us all updated on the rest of the family. I can still see you and Aunt Gert in my mind in Mom's dining room in Pembroke laughing and joking around. The one thing recently that I thank you for, is having Cousin Cheryl in my life again. You brought us together after all these years and we both will miss you very, very much. I know that you are now with Nana and Grampy and all your siblings. They've been waiting for you to complete the family circle. I can see you all holding hands and smiling. I love you, Uncle John, and will see you when it's my time. Love always and forever,
Your Loving Niece, Kathy*
