“ good ole Stack was truly ` one of a kind guy and knowing him was surely a gift. The last time that I really talked to him was I say 4 years ago while I was sitting on my front porch and this car pulled up and this guy got out and started walking up to the steps .. he was smiling like a banker on Friday evening and boasted out and saaid .. bet you don't remember who I am .. I told him that it was too hot to be standing out there soooooo get your butt on the porch Stack ! We must have talked about everything under the sun for over 2 hours and he stood up and walked off the porch turning around and said thanks good Buddy for sharing your morning with me !
