“ So sorry I didn't know John had passed away till now. He saved my life in a car accident with a tractor trailer accident in front of his gas station. August 20, 1981 I was 20 yrs old at the time. I'm 62 now. My family knew him very well.

“ Kay, Jane and family--
Your Dad was such a good neighbor to our family... We spent many hours at the pool with our kids talking with your Mom and Dad and having a good time... They were both special people...Prayers for God to heal your hearts of grief...

“ Your Dad was a very special person. You never heard anything negative about John Sutton. He was a good man! We, too, remember getting gas and tires from your Dad at the service station in West Point and also Eltham. So sorry for your loss. You are in our thoughts and prayers!

“ *Jane, Kay and families,*

One of the last times I attended church in West Point with my Dad in 2014, I saw your father in the service. My earliest recollections were going with Mom and Dad to the service station for gas and seeing him at work. He was a very special man and he'll be missed.

God bless you as you walk through the days ahead without him.

Praying for you,

“ *I was so happy to see your dad when I was home in January. He had the same smile I remember seeing when my father and I would stop by his gas station. My prayers are with you now.*

“ Jane, Kay and family,
I will most definitely miss my sweet hugs and big smile from your daddy on Sunday mornings. It has been so special having him back with us over the past two years. My memories of him go way back to when I was a child at First Baptist and to later years as a teen when I would stop for a dollar of gas at Sutton's in Eltham. Your father was a very kind man and I know he has blessed your lives over and over; ours too! I pray that your precious memories bring with them strength, comfort and peace to cover this season.
