“ Ronnie -- my apologies for the lateness of this message but I am just seeing this for the first time today. I am so very sorry for your loss. I will always remember the kindness Tommy extended to me when he helped me on several occasions with my assignments in the Fortran computer programming class that I was taking at the University of Richmond, using his knowledge and practical computer programming experience from his job at VDOT. You and he both welcomed me into your home and were so very nice. Sending you my sympathy and prayers. With fond regards, Martha Ryczak Whiteley

“ Dear Ronnie & Keri,

*Sending lots of love and prayers to you and your family on behalf of my family, the Bunnells, Meleskis and Montagues. My parents, Dennie and Jean Bunnell considered you and Tom to be very special friends. Thank you for always being there for us and for all the fond memories! I'm sure my parents were happy to see their dear friend again and to welcome him in Heaven with big smiles and open arms! Now they can spend eternity golfing, bowling and playing cards.*

*I hope you find comfort in fond memories and knowing that so many people love you and your family! My heart goes out to each and everyone of you!*

*Love,*

“ *Ronnie so sorry to hear of your loss, but knowing that you will see him again. You two would take care of the police officers, buying their lunch without them knowing until they ready to leave and were told it had been taken care of, always grateful for you both.*

“ Tommy was like a classmate to all of us in Class of 1959 because of his little sister Sara Jane. Tommy and Ronnie attended nearly all of our Class Reunions alone with Sara and Freddie. You do not forget good friends, you just thank God for the time you spent with them.
