“ *It's been 39 years since I've seen Johnny's face. My sister called me this morning and told me he had passed on. When I first saw his picture, I just had to smile because he still looked the same as he did the last time I saw him, with that smile! For a short while my life was touched by the Williams family. You all where and still are very special people to me. A love born from God can never be broken! You all have my most sincere condolences. I remember wrestling with Tommy and Johnny when we were young. Those turned out to be some of the best times of my life! Read: 1 Thes. 4:14-18 May God keep and bless you all! Sincerely, Jim Schehr*
