

Jon Frederic Sauer

July 13, 1935 - April 25, 2019

Jon F. Sauer, 83, of Charles City, VA formerly of Amelia and Powhatan County, VA went to be with his Lord and Savior on Thursday, April 25, 2019. He is survived by his loving wife of 50 years, Betty L. Sauer, stepchildren, Harry Lee Upson and Debbie Thompson, grandchildren, great-grandchildren, and Daisy and Junie. Jon will be remembered most for his hard work ethic and building “The Tradin’ Post” restaurant and “Cajo’s” in Powhatan County. Jon, with his wife Betty, opened “The Tradin’ Post” in 1973 and it quickly became the place to go for families to get great food and ice cream. Some years later, Jon built “Cajo’s” which was one of a kind. He prided himself with the great food, music and his craftsmanship in the restaurant. The family suggests that memorial contributions be made to the Richmond Animal League, 11401 International Dr., N. Chesterfield, VA 23236.

“ My deepest sympathies to Betty, Harry Lee & Debbie. I am so sorry for your loss. Jon was so kind and willing to help those in need. He was instrumental in helping me buy my first home. He would come by to check on the builders to make sure they were doing quality work. I loved working for Jon & Betty at the Tradin' Post & Cajo's. I'm sure Jon is in Heaven keeping a watchful eye on his loved ones. Love you Betty! "G" Breeding

“ My deepest sympathies to Betty, Harry Lee and Debbie. Many fond memories at Flat Rock with Trading Post and Cajoes. Helping with the painting, staining on Cajoes then the Trading Post serving food. Remember the fall from the roof? Wow nobody but Jon could have survived that one. Thank you Jon and Betty, Harry Lee and Debbie for all the good memories. RIP Jon. You were a real trooper.

“ You were a good friend Jon. I thoroughly enjoyed everything we did together. Working on many of your projects. Building the boathouse on the river and the barn in Amelia. The times I played music and sang at Cajos. All great memories. RIP my friend.

“ Indeed Jon was a hard worker. He was always a man of his word. Jon and his family came to a Powhatan very different from today. A time when gas was in short supply, and you were limited to how many gallons you could purchase and only on an odd/even day of the week, corresponding with your license plate. Always willing to help, I've seen Jon take money from his wallet, to pay if someone was a little short of cash. The Trading Post was more than a burger joint or gas station and garage. It was a venue for local employment, friends to meet or even a place to park your car and catch a ride, with friends. My condolences to all of Jon's family.
