“ Jon was a wonderful part of The Arc of Greater Williamsburg. He was always excited and engaged when he attended our programs. He often drove himself and was quite independent. We will miss him very much! Pam McGregor & The Arc.

“ I dated Joh's older brother while we were both in HS. I was in the same grade as Jon and we shared a PE class. I remember hours walking with him when we both choose power walking as our elective.

I helped his older brother coach his baseball team for a year and he was always so excited to practice and play in the games. He was always so happy and positive. He loved everyone he met.

It was truly a pleasure to meet you Jon back in Dec, 2023. My Mom (Carol) always had great stories to share when you were hanging out with your Mom. I want to thank you especially when you invited Carol for Christmas dinner (Dec, 2023) after recently losing Mr. Bob. You will be missed by many, but it's a blessing to be back with your Dad. I'm sure my sister (Kirsten) and Mr. Bob welcomed you to heaven and now enjoying our lord and savor.
