

## Jordan Ethan Winterhawk Adkins

December 30, 2000 - July 24, 2017

Jordan Ethan Winterhawk Adkins, 16, of Charles City, went to be with his Lord, July 24, 2017.

Jordan Ethan Winterhawk Adkins, an amazing young man who loves Jesus and loves people and his family. He is a miracle even before he was born and for the 16 years he was on this Earth. He is unique and special sometimes in ways most people didn't know except for those very close to him. He is genuine – a man of integrity. His God-given name is “Wonder Worker – He Who Works Wonders With His Hands” and that's what he did. Whether it was working on people's hearts through kind words, a listening ear, or getting down on the floor to spend time just playing cars with hurting kids, or building special cars for people. But one of his biggest passions is giving to bless. Jordan is a giver. Jordan makes detailed cars, campers, and trucks out of cardboard, wood, or plastic and gives them away to people. Jordan has used his own money many times to buy matchbox car, put scripture stickers on them and send them to orphanages overseas or give them away on reservations or in schools or on the street to hurting kids. Jordan loves people, especially elders and kids. He never met a stranger, and if you were ever blessed to meet him, you'd never forget him. He's the kind of friend that sticks closer than a brother and would give you the shirt off of his back. But more than anything, Jordan loves his Jesus and talking about him. He studied God's Word everyday and would go on “prayer rides” on his bike to a special place to spend time with Him. And now the Masterpiece of Jordan Adkins is

back in the arms of his Master.

2 Samuel 22:17-20 – He sent me from above, and reached down from on high and He took hold of me, He delivered me from my strong enemy, But the Lord was my support. He also brought me out into a broad place; He delivered me because He delighted in me.

Jordan was preceded in death by his paternal grandparents, Tazewell and Florine Adkins.

Jordan is survived by his loving parents, Troy and Kelly Adkins; his sister, Mikayla Adkins; maternal grandparents, Jerry and Gay Johnson and a host of aunts, uncles, cousins and friends. A celebration of life service will be held 2 PM August 12th at Rockahock Campground, 1428 Outpost Rd, Lanexa, VA 23089. In lieu of flowers memorial donations can be made to The River Church, 8824 Richmond Road, Toano, VA 23168.

“ My favorite memories are of Jordon and Makayla when they were small. They would come by Fort Cherokee and loved when we would sit them in the mining cart. Such beautiful children and a wonderful gift from God. God needs you now Jordon, and one day soon we can play together again in the mining cart in heaven 💕🙏

“ Troy, Kelly and Mikayla, we are keeping you in our prayers at this very difficult time. I cannot even imagine the loss you are feeling and words just escape me. I have to believe that God sends us to this world to learn lessons that help us grow and become better people. When people so young are called home, I think God is just so impress with the person they have become, God decides he needs them in heaven to help others. It still just leave a very big whole in our hearts. Such a very handsome young man. Again, so very sad for your loss.
