“ Alvin was my cousin but like a brother to me and my family. He was always kind to everyone and loved all his family. He really loved hunting groundhogs. I know he is with his loved ones who have gone before him (Mary Lee, Aunt Mable and Rufus). He will always be loved and greatly missed. Love and prayers for all his loved ones left behind.

“ Alvin was my cousin but he will always be my Bro..my heart is broken and he will be so missed by so many. He always will have a part of my heart and memories will last a lifetime. He loved his family and we all felt it every time we saw him. He has been a part of my life from the day I was born. A man of few words...the most important three.. I love you.

“ Alvin was my mom's "brother", and thus my "uncle". Growing up he was always a part of every family gatherings and nearly every Sunday at my Nanny and Granddaddy Wilson's. His smile and humor was always present and brightened every room. With few words he always made you know he cared and was interested about what was going on in your life. With his passing there always be an absence in the Wampler, Shackel, Wilson, Guthrie, Coates, and Crump family, that will never be filled. I pray that Pat, Joey, Timmy, and Patty will find peace in knowing how important he was to our family and that he will always be missed. He was one of a kind.
