“ So sorry to hear today. I had the privilege to work with Joey as a carpenter at Busch Gardens and at Water Country into 19 years. He was one of the hardest working people I've ever met. He was a dedicated family man first but a good friend and a good man. I was fortunate to have dinner at his house decades ago and he and brother Greg stopped by my house numerous times after work for a beer or two and a few games of horse shoes with other co workers. Joey was a good guy and a great friend to have in your corner. His kind soul will be sorely missed RIP buddy
