Eddie was part of my childhood and a classmate of mine since third grade. Always a gentleman and really a gentle person. We graduated WPHS Class of 64 together where he was always a best friend to everyone. He and his brother Marvin were Boy Scouts together with me when I was a scout and we had more fun and stories of great times than I can write about in this short space. Eddie Sneigon...You were a great friend and someone we were all happy to call a friend. Rest in peace my friend! The entire class of 1964 will never forget you!

“ Eddie in high school was very laid back, quiet to a degree, and strived to make things better not only for himself but for others who like himself on the conservative side viewed life in general. I will always remember the times we shared throughout our early years and hang on to them as a back up plan if all others fail >>> R.I.P. My Dear Friend !

“ Eddie and Iva always called me their adopted daughter. I loved him like a dad and will always remember his large appetite at many holiday gatherings when they lived in NY. My heart breaks for Shaun & Amy who he loved as his own. He always raved about his grandchildren and loved spending time with his family. Eddie please give Iva a kiss from us and keep watching over all of us. We will forever miss you.
