“ Dorothy and Joe,

We were sorry to read in the paper about Joey. It was especially difficult as we are so familiar with both the suffering and the perseverance exhibited in these situations. He touched many lives, most intimately yours, and you responded with guidance, fortitude, and love. He created an example for us to follow and because of our belief in God we know he is in a "better place".

Jennie recalls that she worked with him during the early 1980's in speech therapy when she was substituting for Marilyn Wilson. She often commented as to the wonderful care and love you bestowed upon him.

Regrettably, we could not attend the church service, but will gladly forward a memorial request to the HWDMC in memory of him. May God bless all of you. You are in our prayers.
