“ To the family of Juanita McLaughlin - I give my sympathies to the family along with love and prayers. I knew her so well as a volunteer 8 years at MRH. We will always enjoy the chocolate covered peanuts and all the other recipes that she gave us that have been to Ohio and Colorado, not forgetting Virginia. Her memory will always bring much happiness and thoughts of love. From her friend "Lee-Lee" Leona McLoughlin

“ I first remember meeting Mrs. Mclaughlin when I visited her husband in the hospital years ago. I knew immediately yhat she was a woman of great faith. That opinion never changed over the years. Family, you have been blessed to have had her with you all these years. I suspect she will continue to watch over you from heaven. So, don't think you've lost her, she is not lost. She's simply living in eternity with her Lord.

“ My first memory of Juaneta was when we were looking at property to buy across from her house. We were parked on the street when she hollered over "park over here in the driveway it's safer". Always looking out for others. Condolences to the entire McLaughlin Family.

My memory of Juanita, is the gentleness and kindness she always portrayed to each and every person she came in contact with. She always shined of proudness for her family. A very loving person that I will always remember when I see one of the family because they are such a reflection of who she was.

Juaneta was a kind, sweet and loving lady who will be greatly missed. I enjoyed my visits with her during the months she resided at Covenant Woods. When entering her room, I most often found her reading the daily Richmond newspaper. My deep condolences go out to her loving family, especially Joe, Jim and Joanne.
