“ Judy was a dear, dear friend. We shared many laughs and bottles of wine over the years. She adored my grandchildren and was always interested in everything they were doing. Of course, she loved her own more, but it was just another aspect o our friendship that made it so special. We loved riding together. She was so proud (and rightly so) of her daughters Andrea and Tonya, and in my opinion was a fabulous mother who taught her girls to be smart and strong. I'm so grateful that she met that crazy cowboy Mike Zummo and moved out to the country with him where she could surround her self with horses and her fur babies that she spoiled beyond reason. She will be missed by so many people.. you can't have known her and not smile when you think of her. Rest In Peace Judy.

“ Tonya and Andrea-So sorry to hear of your mom's passing. I was your kindergarten teacher at Hamilton-Holmes Elem in King William Co and she taught there. She got me into the Junior Women's Club. We always had a great time together. Many years ago she came to my church (Peace UMC) in Fredericksburg VA. 13 yrs ago I moved back to Buffalo NY and are enjoying my retirement. Prayers to your family.
