“ *i remember when Judy and her husband, Amy and Richard would come to visit her brother, my daddy Ernest Wells. Aunt Judy would always have a smile on her face and she was full of life! She could dress too! She always looked so classy and her hair, eyes and smile was so beautiful! She loved the Lord and even tho I didn't get to see her much I know that she really made an impression on me. We love you Judy! LaMina, Tiffany and Bradley* ❤️🌹

*Judy is my first cousin, and the youngest of us all. She was beautiful inside and out. Her smile was one you never forget. Her mother and mine were sisters. Judy lost both of her parents at a very young age. My mother loved it when Judy came to visit. They bonded so well and enjoyed each others company. Judy left a lot of friends and family with so many fond memories. I rest in comfort knowing she is no longer suffering and free of pain. Resting now in the land of Paradise.*

*She was one unique, classy, caring, and loving lady .. I will miss her dearly .. Gone where the roses never fade, and no more tears ... I love you Judy Anne.*

“ I lost my best friend Saturday evening, but gained a friend waiting with "Don" and Pam to greet me when I arrive at heaven's gate. Judy has always been there for me and my family and I will miss her forever. She was a beautiful person inside and out. Amy, Richard and family, I will always be just a call away as you go through this journey of your lives and I understand the hurt you are feeling, but she will always be near you ...just a whisper away. I love you all. Pat
