“ I just learned that Judy had passed away, and I can tell you that a great light has left us. Judy was such a wonderful person, and things were never dull with Judy around, Judy brought laughter to everyone. I will miss her smiles, her scowls, her "under her breath comments", and the card games. Graves Mountain trainings have never been the same without her.

*My sympathies to her family, and I hope you are comforted by the knowledge that you were everything to her!*

“ *Judy was always positive and upbeat. And while I never met her family, she truly cherished them and her friends. Words cannot fill the void left behind but they can help see you through your grief.*
