“ *I'll always remember Julia for her help when building my home. She lived adjacent to where I was buying & her home at that time was decorated fabulously & provoked many smiles! She was a woman not afraid to be herself. Rest in peace, Julia..... Kim Drummonds*

It's been a rough couple years for you but I kept thinking you'd beat the odds.
I will miss you terribly - my not having a sister you were one of the closest people to me. I am sorry for everyone's loss. You definitely touched a lot of people's lives in a positive way. You will be forever in my thoughts.

What a feisty, good humored, decent person. She took care of our grandmother in her declining years. An effervescent standup person, never shy with her observations.

She may well be in a better place but we are in a worse place in her absence.
