“ My thoughts and prayers go out to Julia's family. Julia was a sweet, wonderful woman with a heart of gold. She brought many smiles to us here at the Health Department, especially at Christmas when "Mrs. Claus" would come to visit.

To Julia's family, Julia was an awesome lady, great nurse, loving wife and mother, and grandmother, daughter and sister. We grew up together as cousins and she spent a lot of time with me when i was a small child. I have so many great memories of our families and the lives we all shared together. Our families shared so much love between us what a great tribute.
