“ JuJu I think one of the best memories I have with you was when Nikki and I were staying with you for a few weeks, and you made rocky road fudge. You would give Nikki, Cat, Lon , and myself 1 piece a day and then you had to hide it in your bedroom closet to keep Cat out of it. It was so funny you and I would sneak in there to have a little extra. It was and still is a great memory I share with you. I love you and miss you very much, and I will never forget the kindness you always showed for Nikki, Gage, and myself ever, you were the most loving, compassionate person I ever met and probably will ever. I know you are happy being reunited with everyone you lost and some that I have. It gives me great comfort in knowing that and you will never feel the pain you felt for the last years of your life. I just miss you terribly

*Love always and forever, till we meet again Sarah and Gage*

“ We are very saddened to hear this news. Julie was a very kind and caring person. I don't think she ever met a dog or child that she didn't like immediately. She was a friend to many and will be truly missed. Catherine and Jaylon you are both in our thoughts and prayers. We lift you and your extended family up in prayer and hope this brings you some peace in the days, weeks and months ahead. R.I.P. Julie

“ I will never be able to explain what this lady meant to me. She was much more than a co-worker, she was more like a sister. She was one of beauty, compassion, and amazing strength. I'm so thankful to have had her in my life. My prayers of peace and comfort are with each of you.

“ My heart goes out to this family who has suffered so many tragedies in recent years. Julie treated my daughter as her own including her in their family vacations among other things. Such a big heart gone too soon.
