“ *Whalen,
This is Alice Hudson Jones, daughter of Lilly Phillips Hudson Lyall, We thought so much of your mother and still considered her family even though my uncle and her had differences. We stayed in touch as much as possible and sometimes a few months back she would call to check on us. She was a very dear aunt to us and we are so sorry to hear of her passing. Due to doctor appointments today and tomorrow, we will be unable to attend her services, but please share our thoughts and prayers with the rest of the family.*

Thoughtfully & Prayerfully, Alice Jones and family from McKenney

“ *Another piece of my heart is in heaven with Julia. I have so many fond memories of times she & I spent together, I could not pick a favorite. All were special. She filled a void for me for over 50 years & I will cherish that always. I know she is in a better place & has reunited with her loved ones but in my humanness I will miss her every day. I love you, NaNa!*
