“ Dear Brenda, we were all so sad to hear the news about the passing of your daughter. Everyone here at Chalkley has you and your family in our thoughts and prayers. No words can heal the pain from your loss but I'm sure the many years you had together will help you through this difficult time.

Sincerely,

Julie was a very special cousin and lady. She was so instrumental in rallying our family at our last Fletcher family reunion. She organized games and activities. Her encouraging letter after the reunion with the names and addresses of attendees inspired our Christmas card sending to family. I thank God that I was able to know this special relative. God bless Donnie, Ronnie and Brenda, Kim, Jen, and Keith.

“ Julie and I went to Middle & High School together. She lived right down the street from me. I used to drive her to school our Freshman and Sophomore years of High School. We had lost touch after High School, but reconnected in 2010. It was as if nothing had changed. I saw her around Halloween time last year for a party. We had so much fun. She was always full of smiles. She loved animals and loved life. She loved her family and her friends. Even with everything she was going through, she worried about everyone else. I will never forget her. I remember one of the posts that she put on Facebook. She said, "God has a plan for me." That he did, Julie. He made you his angel to end your suffering and pain. I will miss you, my dear friend. Until we meet again <3 Sending prayers for comfort to Julie's family, friends and husband.

“ Help, O Lord, because in this time of death there is great need and suffering. Be with the Fletcher/Holmes family in their anguish and loss. Help them to trust that both Julie Fletcher Holmes and they themselves are in your safekeeping Amen
