

Jurgen Alvin Arthur Ruehle

February 14, 1951 - August 22, 2025

Jurgen Alvin Arthur Ruehle (74) of New Kent County, passed away on August 22, 2025 surrounded by his loving family. Born in Peru and raised in Davis, California, Jurgen moved to the east coast, finally settling in Virginia in 1981. Jurgen worked hard and always put his family first. He poured his time into making his home on the river a beautiful gathering place for family. He loved art, working with his hands, collecting small treasures, and creating special multimedia pieces. Jurgen loved to travel and explore the United States. He enjoyed rock hounding, visiting state parks (and casinos!), and hiking.

Jurgen was preceded in death by his wife of 28 years, Janet Ruehle. He is survived by his children, Mary Ann, Hans, and Katerina; his siblings Heidi Strauss, Helga Jandera, and Ed Wellman; his partner Denise Norred; as well as a host of extended family and friends.

A visitation will be held at Vincent Funeral Home in Providence Forge on Saturday, September 6th from 2-4pm.

The family appreciates your thoughts and offers the choice of supporting a charity in Jurgen's memory.

“ What a tremendous loss... I thoroughly enjoyed the time I got to spend with Jurgen while working at WR. He patiently taught me so much. We shared many good jokes and conversations. He was always so genuine and kind. Praying his soul is at rest and that comfort, peace, and strength surround his family, friends, and all those grieving.

“ I am deeply saddened to hear of Jurgen’s passing. He was not only a respected professional who contributed greatly to the ROTHr program, but also a kind and genuine man whose presence was felt by everyone who had the privilege to know him. His legacy of dedication and friendship lives on through the many lives he touched, both personally and professionally.

To Hans and the Ruehle family, please accept my sincere condolences. May the love and support of family and friends bring you comfort, and may the many cherished memories of Jurgen give you peace in the days ahead.

*With heartfelt sympathy,

“ Wow man, I can honestly say that you were a one of a kind person that I found interesting, intriguing at times and yes, I learned something from you or about you over the past 30 years. Rest well, you will always be a legend at the New Kent site.

“ *Met this rock of a man in wallops island on a job and became great friends right off the bat. Every moment was a lesson about more than just work it was about life and i would not be the person I am today without spending time with him. Love you old man and hope to see you in heaven one day.*
