

Justin Anthony Taylor

July 12, 1980 - April 2, 2018

Justin Anthony Taylor was born on July 12, 1980 at Mary Immaculate Hospital, Denbigh, Va. He grew up between Culpeper and Mascot, Va., and was a resident of Mascot at the time of his death, April 2, 2018. He was 37 years old.

Justin is survived by the sweetest and most loving parents he could have asked for, Dave and Karen Taylor as well as his sister, Tanya (George) Pennington and his niece and nephew, Leah and Zack, his “brother” B.G. Blackwell, and his girlfriend, Amanda Shermer and her two girls Addison and Gabriella, that were precious to him. He also leaves behind his loving aunts and uncles- Dorothy Ketterman, Janice and Bob Reeder, Margaret and Joe Lands, Annie and Jim Mote, Jean and Jr. Stout, Ann and Jerry Burkehammer, Aunt “Wandy” Blackwell, Tom and Pam Ratliff, Scott and Cheryl Ratliff, John and Janet Ratliff. He has many, many cousins and great cousins, more than we can ever name that were very special to him and many of which were like brothers and sisters that will miss him terribly.

Justin also leaves many, many great friends that he considered as family and we know have suffered a great loss this week.

Justin had many qualities that made him a joy to be around. He gained many things from his Uncles that meant so much to him. From Tom- he inherited his good looks, From Scott- he inherited his intelligence, and from John Boy- he inherited his good heart and humor.

One of his best friends said it best when he said: “If you needed \$10 and

Justin only had \$5, he would find a way to make \$5 more to give you the \$10. He'd give you the shirt off his back and he'd smile and make you feel good about taking it." As we can see by all the many people that have been touched by this tragedy, Justin was well loved and everyone that knew him enjoyed spending time with him enjoying his fun sense of humor and warm, loving personality.

As a child, Justin was raised as one of Jehovah's Witnesses, and while not remaining active with the local congregation, many of the principles of living that he was taught from the Bible continued to guide him in his later life and helped shape the way he treated others.

Justin had many interests and things he enjoyed- riding his motorcycle, hunting, mud bogging, listening to blue grass and spending time hanging out and catching up with family and friends. As a little boy he had a love of trucks that started with his first Bigfoot Truck and continued through his life. He was especially proud of his newest truck that he dedicated to his Grandpa "Shank" Ratliff. At the young age of 18, he used all he learned from his father and he began his own business, JTXteriors. This brought him into contact with so many in the community that he enjoyed getting to know and work with. He appreciated his employees and considered them close friends.

Justin's family would like to thank everyone who have sent thoughts, prayers, donations of food, etc. for their thoughtfulness. It has been such a help to assist his family through this time. They would like to especially thank all his very special friends that they have been able to call on for assistance where needed and have been told numerous times, "Not a problem, I will take care of it." And they did. Also, Karen and Dave would to thank Ms. Norma, Justin's office administrator, "Boss Lady", and second mother for all she has done for them.

Arrangements have been made at Vincent's Funeral Home in West Point, Va. On Monday, April 9, 2018. Visitation for family and friends will start at 1 p.m., and Memorial Services will be at 4 p.m.

“ Justin,
I will never forget the night on the river with you, John and Ashley. That day and night was absolutely the most hilarious and beautiful time ever.. from you jumping off the boat and drifting way down river..because we had no gas, that you were sure you had topped off.. to being saved by Aaron. Only to then run out of oil and float adrift for several more hours on the most gorgeous night , I think we had ever saw.. big ole moon shining high in the sky lite that river up... And we told stories and joked all night long.. Justin you were one of a kind.. a diamond in the rough.. a true friend through and through.

“ *I considered Justin to be my brother as my aunt Karen & uncle David took me in when he was not even 1 yet. My cousin was always the more level headed one of us two even though he was much younger than me. Even after I moved back home with my mom a few yrs later I'd spend every summer with him until I became an adult. After finally becoming reacquainted with Justin a few years back we'd talk from time to time & it was beginning to be more frequent as of the past few months. I feel blessed that I was able to have a very sincere heartfelt conversation with him less than a month ago which was very up building for me as I was in a dark place. I will cherish this forever. He will always be my little brother & Tanya my sister & will miss him greatly. It means the world to see just how many people who have been touched by his over sized heart reaching out towards his family to show their support.*

I don't have memories of Justin, but know that His absence from the life of his family members will surely be felt...I'm praying for all his family members now, and especially his cousins, Mattison Taylor, Sierra Taylor, and Mattison's wife and my daughter, Heather Taylor. I know how much he meant to you all because you shared it with me. May God be with you all through your loss, and May He who gives life strengthen you now and forevermore.

“ My husband, Tommy, and I thought so much of Justin. We got to know him not only socially, but also as a businessman. Whatever project he did for us, he wanted to make sure we were 100% satisfied - nothing less. We remember my Mom's last Mother's Day, which was also her birthday, 2008. Justin was a guest at my Mom's that special day. While my husband was busy cooking seafood for the gathering, Justin stepped up and gave him a much appreciated helping hand - doing whatever he could to help Tommy. He touched our hearts that day with his kindness and thoughtfulness. We will always remember his big welcoming smile and big hugs. We will miss him. Tommy and Jane Vosnick

“ Justin and Trucker were common visitors at the Milby home for quite some time because Trucker would navigate through the woods to our home (a couple miles away) to visit our dogs. Justin and my brother were also very close friends. Life changes and things got busy and I recently saw Justin at his house for a gathering. It was so great to see him and catch up. He kept telling me he hadn't seen me in so long and was so happy that I came by. I joked that I was going to take Trucker home with me, who I don't think would make the miles away hike anymore. He said I'd need a forklift. :) Years had past and he was still the same good hearted, good natured, laid back, guy with a huge smile and even bigger heart that I'd always known. To know him was to love him, as you can see from the outpouring of people that are impacted by this loss. I wish there was something I could say to help his grieving family and friends, because I'm sorry just doesn't seem big enough. I pray God wraps his arms of peace and comfort and strength around each of you during this time. -Kristie and Kameron Milby
