“ I remember when I first met you when you worked with my mom. I remember telling her you were so adorable I had such a girl crush on you. So I made her give you my number. I giggled like a 2 year old when you texted me. You said you knew how much you meant to me, but I don't think you did. I can't wait to see you again I am looking forward to seeing your smiling face again. Everyday you'll be in my thoughts and you will forever be in my heart.
