“ I have too many memories to share. I have many childhood memories spending time at Katherine's family home. Going crabbing in Saluda and everyone came back there and steamed and ate crabs. Picking vegetables in the garden. Playing in the buildings behind the garage. Taking Katherine to nursing school with her Dad, (my uncle Boo). Eating cabbage rolls ALOT with mash potatoes and corn from the garden. Sharing a room with her after my Mom passed. Katherine had a big heart and alot of love to give. I will miss her greatly. Thank you Katherine for all you've done for me in my life. I love you and will miss you greatly. RIP Love your cousin, Nancy

Always friendly and kind. I met Katherine when she was a nursing assistant on South 2. Then she went to school and became a nurse. I pray she is at peace and with The Lord. I am saddened by her passing.
