“ *Kathy will always be Kathy Lynne Lott to me. We met while in middle school and raised some serious hell together in our teen years and in the first years of her son, "Mikey's", life. Although we reconnected through facebook years later, I didn't get the pleasure of spending much time with Kathy in the past few years, but I know how hard she fought and how strong her determination and spirit were, She remained positive and upbeat in all of our communication and I could feel her sassy spirit even through the written words that she shared. This fiesty one must have a host of angels who need her by their side. My prayers go out to all of her family and friends. I hope you all continue to celebrate Kathy's life with as much gusto as she lived it in her time here on earth. Love to Kathy and to you all! To "Mikey" and to Kathy's grandchildren, you were her world! May God bless and comfort you all.*

“ *My prayers go out to her and the family! I didn't know Kathy as well as many of you, but you didn't have to know her well to see what a special person she was! She made total strangers feel as comfortable as if she'd known you forever! Her personality shown bright! She will be greatly missed! I'm sure the Lord took her because she'd already earned her way! God Bless!*

“ My inspiration and chemo buddy. We worked side by side through some tough times. But she never showed the sad side. Only courage and determination. She went through alot and I remember her telling me cancer was NOT going to stop her living the life she wanted. I miss her terribly but I know she is enjoying a sunny beach and warm air blowing on her face right now. I love you lady, you will always be in my heart. I send my sympathy to her son, grandkids and family. She loved you all so so much!

“ I'll never forget the week I was invited to share Kathy and her mom, Joyces', vacation in Myrtle Beach. What a "fun loving" person she was. When Kathy was around, there was never a dull moment. I know she is greatly missed by her entire family. I am happy to have known her. My heart goes out to all of you.

My heart goes out to Kathy's family and friends. She was such a strong person, and never gave up. She was strong willed and such a loving person. I am very thankful that God put her in my life. I have so many memories that I'll never forget. She loved her family with all heart and soul, but she loved her friends too. Sissy fly high and R.I.P. till we meet again.
