“ I'm very sorry for your loss, it is a great loss. Heaven has received a blessed angel. Her greatest passion was her family and taking care of any child she could. She was always taking care her loved ones right up until the end. She was a fighter and was gonna do it her way all the way to the end. To know Katie you were very blessed. We love you and you will be sorely missed.

“ Katie Stewart carried both our children to school for years. They loved her "Last day of school" treats! After I began teaching, occasionally I would get "stuck" behind the buses on the way to school. Ms. Stewart would always let me by her bus as soon as she could. Thank you for sharing her with us all those years.
