“ I was heartbroken to hear of Keith's passing. I knew him from the Williamsburg Pipes & Drums. He was the nicest guy ever - always wanting to learn and share funny tidbits, and he joined our Zoom practice sessions when he could. I am so happy for the memories I have of him. My thoughts are with his family.

“ I was so saddened to hear of Keith's death but have fond memories of our time together in St. Andrews Legion Pipes and Drums. When Keith had been away from his bagpipes for a while I enjoyed the time he came to my house so I could help him review his music. He and Francine were definitely made for each other and I'm so glad I was able to be at their beautiful wedding. My heart goes out to Francine and his family.
