“ *To The Holland Family...I met Ken 1st when I went fishing behind their home with my brother, Peter... The next times is when I was walking on the bike trail with my pup in the baby carriage. He got such a kick out of that and that led to so many conversations about his garden and life in general...which would lead to me taking offerings of potatoes, tomatoes, etc. Such a kind man. Miss Vanessa I offer sincere sympathies to you and his family and I will keep you in my prayers.

“ *To Vanessa*

*My sincere condolences to you in the passing of your beloved husband. I remember the times we shared at our VSU Alumni meetings at your home. It was at a meeting I first met Kenneth and I remember how he shared with me some memories of being on the Hill. May you find comfort in knowing that friends are only a call away. Rest well my fellow Trojan.*

*Lovingly,  
Brenda*

“ Ken you will be dearly missed, I never had an unpleasant interaction with you, I will forever remember you for always seeking to give more than you would receive. I was looking forward to another saltwater fishing trip together but God had other plans, so prayers for comfort and peace to be upon MS Vanessa and all your loved ones. IPaige and fam
