“ It is truly a blessing to have worked with Ms Kim.. We shared many laughs and she went out of her way to make sure everyone else was ok. She would make cookies and always make sure she put some aside for me. She was truly a joy to be around I enjoyed listening to her talk about her grandkids and parents. She loved for helping her dad in his workshop making boxes. I'm pretty sure all of retail has one of her handmade boxes thanks to Ms Kim

“ *Kim was always a great asset and friend to our pack at Great Wolf Lodge. Many children from all around the world were able to have bears made directly by Kim. She always made sure our guests, and other pack members were taken care of and will be missed by everyone on the team. She made us cookies quite often and I have a wooden box as a gift she gave to me and others. I am glad she was able to make such an impact in her last few days with us, she will be deeply missed.*
