August 6, 1990 - April 8, 2022

Korby F. Taylor, 31, of King & Queen, VA passed away April 8, 2022. Korby loved his truck but had always been a Ford mustang fanatic; “if there are mustangs in heaven, we know you are burning one up right now.” He was caring towards everyone he ever met, never had an enemy, and was a loving father to his children, Londyn and Noah.

He is survived by his mother, Jill Taylor; twin brother, Kyle Taylor; daughter, Londyn Taylor; son, Noah Taylor; his first love and mother of his children, Tyler Dawson. He is also survived by an uncle and aunt, Paul and Susan Taylor Moss; his “other mother”, Theresa Nettles; father, Keith Haden; his “daddy” Cheryl Bernoski; his “Nana” Mary Webb; grandmother, Diane Haden; aunt, Donna Britt; and uncle, Michael Haden (Roxanne).

A memorial service will be held at a later date. Tributes may be posted at [www.vincentfh.com](http://www.vincentfh.com).

“ I am heartbroken over your passing. I am so proud of you. You were back on track, making plans for the future and making memory's with your children. You were always their biggest fan from jamming out on the guitar to selfies with funny faces. You loved your kids and Tyler to infinity and beyond. This isn't goodbye it's we love you more and will see ya later.
