“ Uncle Bubba will be missed, I remember him riding me on his motorcycle when I was a Kid. I would tell to get it uncle Bubba . I remember when he met Brenda. He always said she was the love of his life . He would wash his car everyday just to she her drive by so he could wave at her. I guess she probably thought he was crazy when he would wash it in the Rain. He will missed. Love you Uncle Bubba .

“ *Uncle Bubba was loud and proud, fast and furious. I remember him as a kid, since we are only 5 years apart in age, and he was always racing up and down the road in some hotrod, and enjoying life to the fullest. He was kind of a reckless young guy, always kind to me, had great faith, and loved his bride, Brenda. I know he is with his heavenly father now, and the company of his family and friends gone before him. I will miss him.*

“ Warren Owens and I (Sandy Owens) have known Larkin (Bubba) and Brenda for 45-50 years. Bubba and Warren worked together on all types of jobs together. They both worked at W. W. Nash and Colonial Williamsburg and they both retired from Colonial Williamsburg at the same time. They still continued to work at odd jobs together. Warren and I, our two children (Kevin and Cindi) along with Bubba and Brenda have been on vacation, took short trips to the Mountains and to the Beach together. I lost my Warren December 29, 2023 and now Brenda has lost her Larkin (Bubba). Two special buddies are again together and they have probably already planned some adventure together in God's Kingdom. Brenda we both miss the loves of our lives but they are in God's Kingdom together and probably already planning a fishing trip.
