“ *Mr. Davis was truly a great example of a super human being. I came to know Larry very well after working with him at the mill and relying on him for many years purchasing his barbecue and sausage. I would go by his place to get a few things and we had many good conversations about what was happening at the mill, him enjoying his retirement and his health battles. Larry was also a very tough, determined individual but also very compassionate. He would tell me how much he loved Pat, his boys and taking care of his mother in law. I would always get asked when it was time for a work or family gathering if I could bring some of Larry Davis' barbecue which I would. Several years ago near the end of my own mother's battle with cancer I'd ask her mom is there anything I could get u that you'd feel like eating. She would say if u can I'd like to have some of that barbecue that you're always bringing by here. When we had mom's celebration of life family get together before she passed, u guessed it, she wanted Larry's barbecue one last time. My family raved on and on about it as well. I will sincerely miss going by Larry's place but I am so fortunate to have known him and thankful his suffering is no more. My sincerest condolences to the family, he will be missed tremendously.*

“ *We will always remember Larry in our community as a friendly and jovial person who wanted to please everyone with his homemade sausage, bacon, etc. It meant a lot to have someone we could depend on to provide these special items and he did such a good job. He will surely be missed, but his suffering and pain are over and for that we are grateful.* Larkin & Brenda Hundley

“ My prayers go out to the Davis family as they grieve the passing of Larry. Worked with Larry at the mill and he was always positive. After retiring he helped Terry install the heating/air conditioning system in our home. Even though he had suffered for the last few years I know he will be greatly missed.

I would like to send my prayers of love and comfort to Larry's family. My son (Sam) met Larry years back when we first started needing his expert "pig services" We enjoyed bringing our pigs to him for processing because we were always greeted with such kindness and happiness. He made us smile and I know heaven is so very happy to have him . May GOD bless you all during this time of sadness and may you find comfort and joy in your memories of Larry.

Ms. Mildred, this is Pinky Trimmer that used to live down the road from you in Shackelfords. I am truly so sorry for your loss.
