“ I have worked with Larry for two years at Ace Hardware in Providence Forge. He was often voted employee of the quarter because of his positive presence, his calm manner, his great communication with all our community that came in to get help at Ace. He was our friend , our support, our touchstone. He knew so much and willingly helped anyone. We could ask him anything and he would be able to suggest a good solution.
I bake cookies for our staff and his favorite was the molasses cookies. he always enjoyed the cookies on his break outside at the picnic table. I will miss his laugh and sweet nature.
Our community , who considered him a friend, have expressed sorrow that he left us so suddenly.
God bless this man on his journey home. I know everyone in Heaven are cheering his return home.
My prayer for his wife and family to comfort their loss.
