“ Glenn I am sorry for the death of Leah. You were married the same day as my son, so I was unable to attend your wedding. I know she filled a large void in your life as you were married to Leah late in life. I know you are going to suffer your loss, because once again you are alone. I hope the many happy memories will flood your consciousness and help relieve your grief.

*You have been my friend for a long time. I am so sorry for your loss.*
