“ My heart is breaking and rejoicing at the same time. Lee was one of my most favorite people and friends from college. Her smile and love for Jesus are truly her best attributes. She was a Godly counsel and advisor. I cherish the time I had to call her friend. Laughing and crying with her carried us through the ups and downs of being young adults making our way in the world. I am so thankful for the hope of heaven. We shall meet again, my Friend and my Sister. ❤️
