“ *I will never forget how helpful Eleanor was whenever I wanted flowers sent to my mom, Elsie Drexler. Eleanor did a beautiful job with the flowers for my brother Johnny's and my mom's funeral also. She was always willing to work with you and to make sure that you and your family was pleased with what she did. I last saw her when my mom died in January of 2012. May she rest in peace and may her family find consolation from family and friends. I have just read about her passing in the Tidewater Review that I read online from time to time. I have a son who lives in Riverview, Florida. God bless all.*

“*Norman, may you and your entire family find comfort in God's love during this most difficult period. Remember the good times. I hope you will also find some comfort in the days ahead by reading these words which were shared with me by a coworker when my father died.*

"In one sense there is no death. The life of a soul on earth lasts beyond her departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other's eyes, talking to you in the familiar things she touched, worked with, loved as familiar friends. She lives on in your life and in the lives of all others that knew her."
