“ I served with Levi while we were mobilized to the Southwest Border in 2020-2021. He was an import part of the El- Centro team. I am at a loss for words. I send the warmest of regards to the entire Scott Family. Larkin, please reach out if Y'all need anything.

“ Brother's, friend's, son's, solider's.. we are called many things, but to me he was Scott, and I Prince. We were inseparable, I had the greatest privilege and honor of my life, to get to serve with the best friend a guy could ask for.

“ Man.... This one hit home brother... you were always the one that brought the party to the party, you were the one that made everyone laugh, I just talked to you the other week and we were supposed to bag some coyotes when I came home, we were going to party like rockstars like back in the old days.... I never Thought in a million years that those would be our last words. You touched the hearts and minds of so many people rascal...We all want you back, you had so much more to do bro. I love you man, rest easy until we meet again.

“ I have known the Scott Family for many years. I watched those boys grow up to be fine men. I can't find the words to express how sad this has made me. I am praying for the whole family. Thank you Levi for your landscaping here at the Park but most of all, thank you for your service. May you rest in peace.
