“ We are sad to hear the news of Linda's passing. Please know that you are in our thoughts and prayers. Linda was married to our brother Bob. Unfortunately, we haven't been in touch for many years. For the family, we do not think she knew Bob died on December 30, 2021. Much love to you all.

“ My husband, Fred, spoke of Linda often,. Remembering shared experiences of their childhood and even into adulthood. They continued to stay in touch. The one thing that always touched Fred's heart the most though about Linda is that she always let him know her gratitude for his service every Veteran's Day. Linda will be missed. Patricia Long

“ *Your cousins are your first friends. The people who know everything about you. And if you are lucky like Linda and I were they are your life long friends. We were lucky to spend early years together and to travel together in our 70's. Our last trip was a river cruise in Europe, where Linda as usual packed to much clothes. Then she spent the trip buying more. Linda loved clothes. This picture was taken at my 4th birthday party. Linda was 6.*
