“ Linda was an amazing cousin and friend. I always looked up to her when I was growing up. I will miss her laughter, hugs and teases about “Jeremiah and his bull frog”. 🐸. Phillip we are here for you...hugs.

“ Linda always used to give me hugs in the hallway of Hardy Central Baptist Church. We were good friends. She was never in a bad mood, she had a lot of personality and she was fun to be around. My family and I know that she is in a better place now. She will be missed. I hope her family and friends feel better.

“ Linda is my cousin, I loved when she came to visit. We would drop everything and head to grandma’s to be with her and Uncle Charlie and Aunt Ellen.
Her smile and laughter were very contagious, and I don’t think I ever saw her in a bad mood, always positive and upbeat.
I wish we had lived closer, so we could have spent more time with her and got to know her better.
Thanks to Facebook we were able to reconnect, and it was like we had never been apart.
Missing you Linda.

I am Linda's cousin. I remember the days that we would get to see each other. There weren't many, but we had fun. Miss you so much. Love you. I will remember the good old days. Vickie.

“ I have known Miss Linda my whole life. My fondest memory of her comes from when my mom got married and I met her. She was the most nicest and sweetest person I had ever met. She used to pick on me a lot because my name is Jenny. I hated it but when Miss Linda would laugh about it, I would laugh with her. She was very infectious and she will truly be missed in this world. I love you Miss Linda may you rest in piece.

“ Linda was the sweetest young lady. She had a giving heart. No matter how sick she was she always laughed to give others that cheerful gift. She was a great friend to my sister Debbie who cherishes that friendship. God bless you Philip. She loved you so much and I know you were her rock. Heaven has gained an Angel.

“ *Our family is deeply saddened to hear of Linda's passing. I had just spoken to her in the hall way at church a few Sunday's ago. I am thankful I saw her that day, since I don't attend Hardy Central that often. I have know Linda and Phillip for many years through church, growing up in Hardy Central. She always had a smile on her face even when she wasn't feeling the best. Her love for the Lord showed every time I saw her.*

She will be greatly missed and I know she's in the loving arms of Our Lord.
