“ Lindsey was one of the very first people to befriend me and sit with me at lunch when I was the new kid in Hanover. After 8th grade we had no classes together so we just drifted apart I guess but I have always known what a kind, beautiful and caring person she was. She will be missed dearly. My prayers go out to all of her family and friends during this tragic time ❤️

“ *I didn't know Lindsey to well, just the casual smiles & saying hello when we saw eachother until we found eachother at a nickelback concert over the summer. Even though it was pouring rain, she still kept a smile on her face & we had the BEST time. I wouldn't have wanted to dance in the rain with anyone else! Definitely an unforgettable night, great memory, & a good start to a friendship i wish I could've continued longer. Rest Easy angel. 💜*

“ I remember the first time I met Lindz. We working at The Backyard Grill in Henrico, VA and immediately clicked. We both had very similar personalities; laughing and smiling at everything and anything, seeing the positive in every situation (which was sometimes difficult while being a waitress), and most of all seeing the good in others. I could never tell when she was having a bad day because she made every day a good one despite whatever she was going through at the time. You will always hold a special place in my heart, Lindsey Blair Greggs. You touched more lives than you know, sweet girl. Rest In Peace <3
