**Phillip Tuck** - February 14, 2017 at 06:11 PM

“ I lift up to heaven a Prayer of Thanksgiving for Lisa’s life.  
Words of Comfort for Phillip and Angelina and all Lisa’s close family,  
for all of her friends everywhere:

*There are things that we don't want to happen but have to accept,  
things we don't want to know but have to learn, and people we can't  
live without but have to let go. " ~For all who are suffering,  
Tenderly, may God's love heal your sorrow.*

*Gently, may the prayers of friends ease your hurting.*

*Softly, may God's peace replace your heartache with warm and  
loving memories.*

*“Lisa” is so Special, to so many, and I know she must have touched  
so many people's lives in a way they probably never imagined. She  
was a very special person to so many people she befriended. So  
many hearts she touched!*

*Remember the laughter and the big smiles. Remember her  
everyday approach to life, her generosity, her personality, her ways  
with people are a real example for me and you. At the end of the  
day, it is the time with family and friends that meant the most.*

*This is the blessing that will be cherished in memories. I know she  
will be dearly missed!*

*Please know that all of us will be remembering and honoring her  
life. May it bring some comfort to you during this difficult time.*

*A Poem:*

*As the coming days go by,*

*Thoughts of me will make you cry,*

*Light my candle to draw me near,*

*I will come to wipe your tear.*

*As the first year passes by,*

*Your tears for me will need to dry,*

*Light my candle as you think of me,*

*With a smile for me to see.*

*As the years go flying by,*

*Please do not keep asking why,*

*Light my candle with a happy heart,*

*Knowing we shall never part.*

*Through the years you will come to know,*

*You never truly let me go,  
Light my candle with your love,  
As I keep watch from up above  
Please accept my sincere condolences and deepest sympathy.
