“ *Cuzzie,
We will always remember the love, the laughs, the tears, and the "dirty rice" that we have shared over the years. Your funny wisdom and your ability to make us to smile in the midst of a storm will never be forgotten. We will remember you eveytime that we take a dip in the pool or see someone "riding a bike like they stole it". We love you Cuzzie!*

“ Many memories flow through my head as my uncle and growing up with you and the family. The most memorable was the horror lol we endured as a child when you drove us in your truck □ in the back of the clubhouse. Going down those paths and down the scariest hill I’ve ever seen (I still won’t go down it), also throwing us in the water to swim lol, riding the four-wheelers, etc. It was an amazing childhood. Thank you for being a fun loving guy. Rest In Heaven Uncle Lloyd “Dirty Red”

We love you dearly. Sheena
