“ Lora was one of my Gospel Chicken House groupies as my previous wife used to call her...She loved to ride along and worship the Lord through music when I was performing..The fact the programs were supported by the food concessions and especially the home made pies sitting on the window sill as you waited to get in , really made her smile...I was blessed to get to know her and family through Sunday School and church and her hand written timely notes received in the mail were and are truly treasures....I listened to Holy Spirit nudge recently and went to visit her and am so thankful I did . She said with a twinkle in her eye "I am ready to go" There was no doubt what she meant and we will meet again...all reasons to celebrate. She and Pearson can now enjoy a favorite song "Little brown Church In the Vale " together. Doug Cherrington

“ My dear sweet "crazy hat lady" Ms Lora... I feel like we had a wonderful friendship, even with the many years apart in our age. We bonded years ago and we would hug goodbye on the back steps and say, "same time, same place, next year." I will miss your sweet smile and my running around buddy. I feel so honored to have known you and I know you are with our sweet Lord now, wearing a beautiful hat and smile for all of Heaven to share. Fly high sweet angel.. til we meet again.....
