“ *Joni, so sorry to hear about your mom. Hard to believe you and I were talking about our moms a few weeks ago. Lorraine was always so full of life and fun to be around. I know she and Wales are having a ball reconnecting. Love to you all.*

“ *I remember Wales and Lorraine sitting close to each other on the right side of our church about four seats from the front. They loved Providence Forge Presbyterian Church and were faithful members and good friends to all. I will miss both of them. The family has my deepest sympathy and love in their celebration of lives well lived.*
