“ My Aunt Margaret has been involved in my life as far back as I can remember. My Mama & her were so close and we always celebrated holidays together. As a child & teen...I dreaded her asking me to do something because her favorite words would be "while you're up....." but guess what ...I find myself doing the same thing. She left a big imprint on my heart & life. I know she's rejoicing with my Granny Grubbs, Mama, Aunt Juanita, Aunt Carolyn as she is now crossing that bridge she always sang about.

“ She was a very good friend. I remember going down to the river to take a swim in the summer time at true heart boat landing. She also had a nice voice when she sang. She will be miss. Love james louvier

“ I loved this woman, Hadn't seen in couple years, but loved nonetheless, She was always good to our family, after our Daddy passed, and after our Mom, now she's gone to enjoy being with her parents, her sisters and brothers, and niece's and nephews, and others who knew her, I'm sure they all are rejoicing, We are the one's who hurt, But now no more pain, suffering.. It just over joy's my heart knowing how many family and friends were waiting for her.. So that helps me try not to be selfish, wishing she were here. RIP My aunt Margaret... I pray you keep your hands upon Lynn, Peter, & fred and her grandchildren and great grandchildren.. Love is the greatest gift of all..

“ I remember taking this like it was yesterday. She told me "Hold on Beth, let me take this nose piece (oxygen) off" before I even snapped the picture. I had given her a perm, and just had to take a picture. She was always so thankful for everything I did for her. She'd say, "Beth, I'd give you a million dollars if I could." I love you so much Nanny.
