“ *David, Leigh, Cary and Family,
Margaret and I graduated from Middlesex High School together. I
can remember sitting in the corner of our hallway giggling and
laughing on our party phone lines and hanging up as soon as we
heard a click sound. Of course, looking back, they could have been
hanging up or picking up. I chuckle thinking about it.
Mom's and dad's are so special and you had two wonderful ones.
Dave and I will be buried not far from where your parents are buried
at Christ Church Parish and I find comfort in that.
