“ Mike, I was very upset to hear of the loss of your beloved mother. I know what she meant to you and that you even at your age, was her baby! When she called the office she asked to speak to her baby. She had the kindest voice on the phone and what I knew of her, she was a loving person. I am praying for you and your family to get through this heartbreaking time. Thank God for all your memories, you will have always. Love Always, Linda and Rick Cordrey
